PETITION UNDER 37 C.F.R. § 1.182 REQUESTING A DUPLICATE
LETTERS PATENT

Mail Stop PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants respectfully petition for the issuance of a duplicate letters patent, USP 6,879,909, in the above-identified matter.

The following facts are set forth by the undersigned having direct knowledge of said facts and will establish that the original official Letters Patent was not received by Applicants' counsel.

1. U.S. Patent 6,879,909 issued on April 12, 2005.
2. The correspondence address for application Serial No. 10/042,287, which issued as the '909 patent, was the undersigned's law firm at:

CROWELL & MORING LLP
Intellectual Property Group
P.O. Box 14300
Washington, DC 20044-4300

3. The undersigned's law firm maintains an electronic docket system to track U.S. patent application files and patents pending and in force from the USPTO.

4. A copy of the electronic docket sheet for the above-identified matter is attached. Notably, it is the firm's standard operating procedure to docket the entry of the official Letters Patent once it is received. In the referenced matter, the electronic docket sheet contains no indication that the official Letters Patent was received.

5. At the time of payment of the first U.S. Maintenance fee for the above-identified matter, it came to the undersigned's attention that the official Letters Patent had not been received.

A careful, thorough and systematic search of the undersigned's law firm has been made in an effort to locate the official Letters Patent had it been received. After such an exhaustive search, the official Letters Patent has not been located.

In view of the fact that all correspondence from the USPTO is received by the undersigned's firm via a special P.O. Box as set forth above, which information is taken directly to the official docketing department for the firm for docket entry prior to dissemination to the attorneys and staff throughout the firm, the fact that the docket record does not indicate that the Letters Patent was received, and the search of the office has not located the official Letters Patent, it is concluded that the Letters Patent was not received.

Accordingly, the undersigned respectfully petitions for a duplicate Letters Patent for the Assignee, Xanavi Informatics Corp.

Accompanying this Petition is the Petition fee in the amount of \$400.00. If necessary, please charge any additional fees or costs to Deposit Account No. 05-1323 (Docket # 029267.50851).

If there are any questions regarding this response or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,

November 6, 2008
